Dear Donor,

We at A Giggles Welfare Organization are deeply concerned about the plight of the underprivileged ones, we are trying to respond to the needs of disadvantaged communities at this unprecedented time when people are gearing up to come on track post the pandemic.

All because of your selfless support, it was possible for us to offer support to needy people in December 2022 like every month. If we look at this month December 2022, we have distributed daily nutritional food, clothes, stationary etc to poor and needy people.

Sharing our efforts with you all brings a smile to our face, and we hope that maybe our tireless efforts will encourage you to do something for disadvantaged people. With time, we realized that the real bliss lies in making others happy. Here, you can see how our team is working. We want our kids and our donors to be healthy and so their safety is our utmost priority and would request all of you to stay safe stay home.

Thanks for your unconditional love and support.
