Registration No. S/59154/2007

Dear Donor,

We at A Giggles Welfare Organization are deeply concerned about the plight of the underprivileged and at this time and fears of Corona virus infection entering the community transmission stage, we are trying to respond to the needs of disadvantaged communities at this unprecedented time. We have identified two immediate and urgent requirements to help mitigate the crisis.

By God's grace, it became possible for us to offer support to needy people in **April 2020** like every month. If we look at this month, **we have distributed foodstuffs in form of grains and cereals to poor people who are on daily wages and are stranded in the middle of the lockdown due to Corona Virus (COVID-19), also we distributed mask for the needy.**

Sharing our efforts with you all brings a smile on our face, and we hope that maybe our tireless efforts will encourage you to do something for the disadvantaged people. With time, we realized that the real bliss lies in making others happy. Here, you can see how our team is working. We want our kids and our donors to be healthy and so their safety is our utmost priority and would request all of you to stay safe stay home.

Thanks for your unconditional love and support.

Thanks & Regards
