Dear Donor,

We at A Giggles Welfare Organization are deeply concerned about the plight of the underprivileged and at this time and fears of Corona virus infection spread, we are trying to respond to the needs of disadvantaged communities at this unprecedented time. We have identified two immediate and urgent requirements to help mitigate the crisis.

All because of your selfless support, it was possible for us to offer support to needy people in **January 2022** like every month. If we look at this month starting of 2022, **we have distributed masks, nutritional daily food, blankets, hygiene pack, woolen caps to poor and needy people.**

Sharing our efforts with you all brings a smile on our face, and we hope that maybe our tireless efforts will encourage you to do something for the disadvantaged people. With time, we realized that the real bliss lies in making others happy. Here, you can see how our team is working. We want our kids and our donors to be healthy and so their safety is our utmost priority and would request all of you to stay safe stay home.

Thanks for your unconditional love and support.

Regards
